Memo of explanation submitted by the Treasury Officer Shimoga District with

with reference to the Comptroller's Docket No 704 dated 25th October 1894, received with Deputy Commissioner's Memo No 942.

The sum of Rs 51-9-11 in question is the amount of Local cess levied on the Lakshmipur or Kallurghat tolls amounting to Rs 825. A portion of this amount viz Rs 625/- was transferred to the District Funds in June last on the authority of the Comptroller's Docket No 453 dated 4th August 1894. But before the transfer of the item of Rs 51-9-11 could be effected in the accounts the Comptroller's sanction ought to have been obtained, but by mistaken notion

the above remittance was deemed sufficient on the score that the said sum of Rs 625/- was a portion of the said toll collection on which this cess of Rs 51-3-- was levied.

Before the above transfer was intimated to the Circle Controller in due course, the memo dated 13th October 1894 had been submitted to the Deputy Commissioner on a requisition from him.

The delay in replying the reference from the Comptroller is due to the non-receipt of information from Tuticorin.
